UNITED STATES SENATE

26 June, 1951

Walter B. Smith,
Director,
CENTRAL INTELLIGENCE AGENCY
Washington 25, D. C.

Dear General Smith:

Under date of April third last you wrote me with reference to the proposition presented by Larry S. Davidow concerning Russian veterans' organizations.

I am now in receipt of a letter from Mr. Davidow which reads:

"We have been patiently waiting for the Central Intelligence to follow through on their investigation. The local office advises us that they have made recommendations to the Pentagon to take up the matter directly with the former Russian Imperial General now in New York. However, all this seems to be moving so very slowly, I wonder whether you could get in touch with General Smith and see what progress is evidenced with him."

I will appreciate hearing from you in regard to the foregoing.

Sincerely,

signed

Homer Ferguson
